

This detailed plan view shows the bridge deck with lane markings, dimensions, and a red rectangular area highlighting the central section. The red area is bounded by dashed lines and contains a black arrow pointing to the centerline. The dimensions of the red area are 100.00m in length and 10.00m in width. The overall width of the bridge deck is 20.00m. The plan view also shows the bridge piers and the approach roads.
